WARNING

Contact with wet (unhardened) concrete, mortar, cement or cement mixtures can cause SKIN IRRITATION, SEVERE CHEMICAL BURNS (THIRD DEGREE), or SERIOUS EYE DAMAGE. Frequent exposure may be associated with irritant and/or allergic contact dermatitis.

Wear waterproof gloves, a long sleeved shirt, full-length trousers and proper eye protection when working with these materials.

If you have to stand in wet concrete, use waterproof boots that are high enough to keep concrete from flowing into them. Wash wet concrete, mortar, cement or cement mixtures from your skin immediately. Flush eyes with clean water immediately after contact. Indirect contact through clothing can be as serious as direct contact, so promptly rinse out wet concrete, mortar, cement or cement mixtures from clothing. Seek immediate medical attention if you have persistent or severe discomfort.

GENERAL TERMS AND CONDITION

SLUMP

Prices quoted are for slumps up to and including 100mm unless otherwise specified. The seller is not responsible for the slump, strength or quality of any concrete to which water has been added at the purchaser's and/or the purchaser's contract's request. The seller has no control over the placing, finishing, curling or protection of the concrete after discharge and will not therefore guarantee the finished work in which it is used. Site Management Services Regina Inc. does not guarantee against shale pop outs.

DELIVERY CONDITIONS

The purchaser agrees to provide suitable roadways and entrances to points of delivery for our trucks. In the event that, in our opinion, they are not provided, we reserve the right to stop delivery until conditions are remedied. On delivery beyond curb line we do not assume liability for damages to sidewalks, driveways or other property and the purchaser hereby agrees to indemnify and hold Site Management Services Regina Inc. harmless against all liability, loss and expense incurred as a result of such damage.

UNDERLOADS

Prices are based on Loads of not less than 4 cubic meters except for one load required to finish a day's pour. Underload charges will be assessed for deliveries of less than 4 cubic meters.

DEMURRAGE

Prices are based on prompt unloading of trucks. Trucks held at the job site for more than 60 minutes will be billed at, a rate of \$85.00 per hour.

NET 30 DAYS. INTEREST WILL BE CHARGED ON OVERDUE ACCOUNTS AT THE RATE OF 24% PER ANNUM.
